

It is WEAVE's goal to provide as many things as possible to survivors staying at the Safehouse or using any WEAVE programs or services. Below is a list that contains items we need for all our programs. Donations of new items are greatly appreciated. Used items can be donated to WEAVEWorks at 2401 Arden Way, Sacramento, CA 95825.

Please note: We do not have a demand for trial-sized soaps and shampoos as survivors often stay with us for several months and are provided with full-sized items. We ask that donations of trial-sized items be directed to Francis House or another homeless agency who needs them on a regular basis.
